

SAQA Western Canada Regional Trunk Show

This is a showcase for Western Canada SAQA Regional Members and those who have selected Western Canada as their second region. The purpose of this show is to present the diversity of our member artist's talent and support SAQA's mission to 'promote the art quilt'. The trunk show allows audiences to engage with the quilts in an up-close and personal way.

*Each quilt will be mounted on a black backing board. The artist's name, location, artwork title, statement and information about techniques and materials are featured on the back. The artwork will be placed in a plastic sleeve for packing and transporting but will be **uncovered** for display and viewing.*

TOUCH

What touches you? What do you touch? Touch can be physical, emotional, or spiritual. Touch is part of our well-being, an elemental form of communication, and a lack of touch can affect our physical and emotional health. We say 'keep in touch' to those we wish to have contact with, 'I'm touched' as an emotional response or 'don't touch' to keep people away.
