Valerie Goodwin - Light and Lacey

$350 + $20 supply fee (payable to instructor at event)

Create lovely collages using shapes such as map elements, floral motifs, and/or geometric patterns & shapes using opaque & sheer fabrics.

Explore the potential of intricately cut surfaces created with the Silhouette Cameo electronic cutter. This popular machine can provide precision cutting that leads to beautiful detail. The instructor will also provide the opportunity to work w/ elements that are pre-cut w/a laser cutter.

Supply List

The fee supplies each student with a kit with silk organza, Evolon, Lutrador, fusibles and other things we'll be using in class.
